

Reported mobility scooter accidents

Figures from the Department for Transport

<u>Year</u>	<u>Number of reported accidents</u>	<u>Deaths</u>
2012	84	1
2013	113	5
2014	209	9
2015	222	8
2016	260	14
2017	236	5

"We urge mobility scooter users to get training to ensure that they can steer and control the vehicle properly."

- The Department for Transport

The Royal Society for the Prevention of Accidents (RoSPA) agrees that mobility scooter users should be offered better guidance on their use.
