

TRUE HORROR STORIES

September 2021 BBC website

A mobility scooter rider died after being involved in a crash with a car in Broyle Road, Chichester. The 89-year-old local woman died at the scene, while the 95-year-old car driver was uninjured.

December 2018 Crawley Observer

A woman was crossing the A23 Crawley Avenue on her scooter when she was involved in a collision with a car. The crash left her with multiple injuries and reduced the scooter to scrap. The car failed to stop.

October 2018 West Sussex County Times

A Horsham woman was injured and needed hospital treatment after a scooter was driven into the back of her legs. The male driver blamed her and drove off without apologising.

September 2018 BBC News

A 65-year old mobility scooter rider died in hospital after sustaining head injuries during a collision with a car in Swindon.

July 2018 Crawley Observer

An 80-year old scooter driver suffered severe injuries when in collision with a car in Southgate Avenue near the junction with Hawth Avenue, Crawley and was taken to hospital.

July 2018 Derby

Two ladies in their 70s died after separate mobility scooter accidents in Derby only four days apart. One was involved in a collision with a car while the other fell off her scooter.

Independent June 2018

An 80-year-old man was hit by a mobility scooter, leaving him with fractures to both ankles, after the vehicle crashed into him in Harold Wood, London.

Mar 2018 Somerset Mercury

The male driver of a mobility scooter was taken to hospital having suffered a head injury during a collision with a car.

Feb 2018 Bradford Telegraph & Argus

A mobility scooter rider suffered fatal head injuries after his machine crashed off the pavement
